

PUBLIC NOTICE

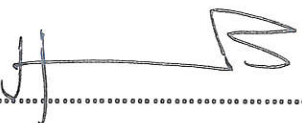

In light of the rising cases of COVID – 19 in Namibia, Cabinet has decided to further strengthen the national response measures, which among others include the lockdown of Erongo and Khomas regions

It is against this background that at its special meeting on 25 March 2020 the Management Committee of the Municipality of Swakopmund has adopted to implement this Government directive.

The Public is hereby notified that the following places will be closed to the public from **27 March 2020 to 16 April 2020** (subject to change):

- **All informal trading sites including street vendors on pavements**
- **All open Markets and business stalls**
- **All Public Parks**
- **All Crafts Markets**
- **All Mobile food kiosks sites**

Members of the public are therefore requested to adhere to this directive and stay at home in order to curb a further spread of the virus.
